CLASS DESCRIPTIONS

Parent – Toddler (6mo-3yrs): This water adjustment class helps young children become comfortable and introduces safety in and around an aquatic environment so they are ready to learn how to swim by themselves in future years.

Preschool (3-5yrs): This is an introduction to water skills for children that are ready to be in the pool without a parent or guardian. Basic swimming and water safety skills are taught and practiced.

Beginners: A class for children who are ready to learn necessary skills for swimming. This class will build upon the fundamentals of swimming and water safety to put your child in motion!

Intermediate: This class focuses on stroke development, improvement and water safety. This class is for children who have some swimming ability and have passed the beginners course.

Advanced: This class focuses on stroke improvement, refinement and water safety. Swimmers concentrate on mastering a variety of swimming strokes. This class for is those children who have passed the intermediate course requirements.

Adult: An adult class for those who want to learn basic swimming skills.

If you are unsure of the correct placement, please contact the Aquatics Coordinator. The instructor may require that a swimmer change classes to put swimmers in their correct ability group.

### WHAT EQUIPMENT DOES MY CHILD NEED FOR SWIM LESSONS?

Swimmers need a swim suit and a towel. All swimmers should have their hair secured away from their face.

*Goggles, nose clips, and swim caps are available for purchase at the CRC Front Desk.*

*All children who are not toilet trained must wear a swim diaper. Swim diapers are available for purchase at the Front Desk.*

### WHERE WILL THE SWIM LESSONS BE HELD?

Swim Lessons are held at the Conway Recreation Center Pool.

### WHEN YOU ARRIVE FOR SWIM LESSONS

Check-in at the Conway Recreation Center Front Desk. You may then continue to the locker rooms to dress in the appropriate swim attire.

You may enter the pool deck through the locker rooms. You may wait on the bleachers and the instructor will come and get the participants at the start of the class. At the end of the swim lesson, exit the pool through the locker rooms. Check that all swimmers have dried before exiting the locker rooms, and then exit the facility.

### INCLEMENT WEATHER

In the event thunder/lightning occurs immediately before or during lessons. The pool will close for 30 minutes after the last sound/sighting of thunder and lightning.

Swim lessons that were not completed due to inclement weather will be rescheduled by the Aquatics Coordinator. Normal make-up days are Tuesday, Thursday, and Saturdays.
